

This week's blasting update: Aug. 4-7

Aug. 4, 2014

I-84 traffic will be detoured in east Boise in the evenings this week (Aug. 4-7) as blasting continues at the Gowen Interchange.

All traffic will be detoured off I-84 at the Broadway and Eisenman interchanges and onto Federal Way.

[Click here](#) for a map of detours.

- I-84 and the Gowen Interchange will be closed in the evening from 7 p.m. to 11 p.m.
- During blasting, Gowen Road will also be closed between Federal Way and Eisenman Road.
- The Gowen eastbound I-84 on-ramp will be closed 24/7 through late August to accelerate construction and reduce the number of interstate closures for rock blasting.
- Other ramps at the interchange will be closed intermittently from 8 p.m. to 5 a.m. on the nights of rock blasting.

Motorists should also expect intermittent overnight lane restrictions on Gowen Road through late August. Lane restrictions will occur from 8 p.m. to 5 a.m. on weekdays and through 7 a.m. on weekends. The lane restrictions will allow crews to deliver material, excavate rock and build the new east bridge over Gowen Road.

The work-zone speed limit is 25 mph on Gowen Road, 55 mph on I-84 and 45 mph on the Gowen Interchange eastbound exit lane.

For more information about construction, visit www.itd.idaho.gov/GowenInterchange.
